City ID 31600

MAVERA ENGINEERING

Electrical, contracting works starting from the lowest level and in the following years, the transition to the Construction contracting sector, as a result of 20 years of professional experience gained Maveria Engineering on 20.05.2012 established.

At the contracting industry, company took the road with "a new breath" that is motto of the company. In a short time, in major projects such as Tosyalı Algeria Kangal Iron Factory, Erzin Natural Gas Power Plant, Kolin Thermal Power Plant as the solution partner identity continued to prove itself.

It renders service to its corporate clients with 4 engineers, 2 supervisors, 3 foreman, 1 technician, 3 office personnel and approximately 120 personnel. Maveria Engineering renders service to its employees with a human-oriented perspective, in the same way to its corporate clients with a customer-oriented perspective. The company also adopts the principle of "human first "and is in a position that does not compromise on business ethics, labor law, worker health and safety.

FIELDS OF ACTIVITY

➤ **MV Power Distribution**

- **Switchgear and MV cable termination**
- **Transformers, switchgears and circuit breakers**
- **Hipot testing and commissioning**
- **Projecting**

➤ **LV Power Distribution**

- **Installation of busbar**
- **Installation of panel**
- **Cable pulling and termination**
- **Testing and commissioning**
- **Projecting**

➤ **Enstrumantal Works**

- **Installation of instrument**
- **Installation of tubing**
- **Instrument cable pulling and termination**
- **Testing and commissioning**
- **Projecting**

➤ **Hvac Sistemleri**

- **Installation of equipments**
- **Cable pulling and termination**
- **Testing and commissioning**

➤ **Control Systems and Otomations**

- **Installation of equipments and software configuration**
- **Cable pulling and termination**
- **Projecting**

➤ **Weak Current (Commissioning and installation of the following systems)**

- 1. Fire detection and warning systems**
- 2. CCTV**
- 3. Voice and emergency system**
- 4. Data communication system**

➤ **Installation of Electrical Mechanical**

- **Installation of cable tray**
- **Manufacturing and installation base frame**
- **Installation conduit**
- **Installation of frame**

➤ **Protection Systems and Equipments**

- **Grounding**
- **Grounding of equipments**
- **Grounding of panels etc.**

➤ **Lighting Project**

- **Outdoor lighting**
- **Interior lighting**

➤ **Solution of Temporary Energization**

- **Installation of generation**
- **Installation of temporary power distribution panel**
- **Cable pulling and termination for temporary power distribution network**
- **Testing and commissioning**
- **Projecting**
- **Transformer Installation of transformer**
- **MV power distribution line**

Completed Projects

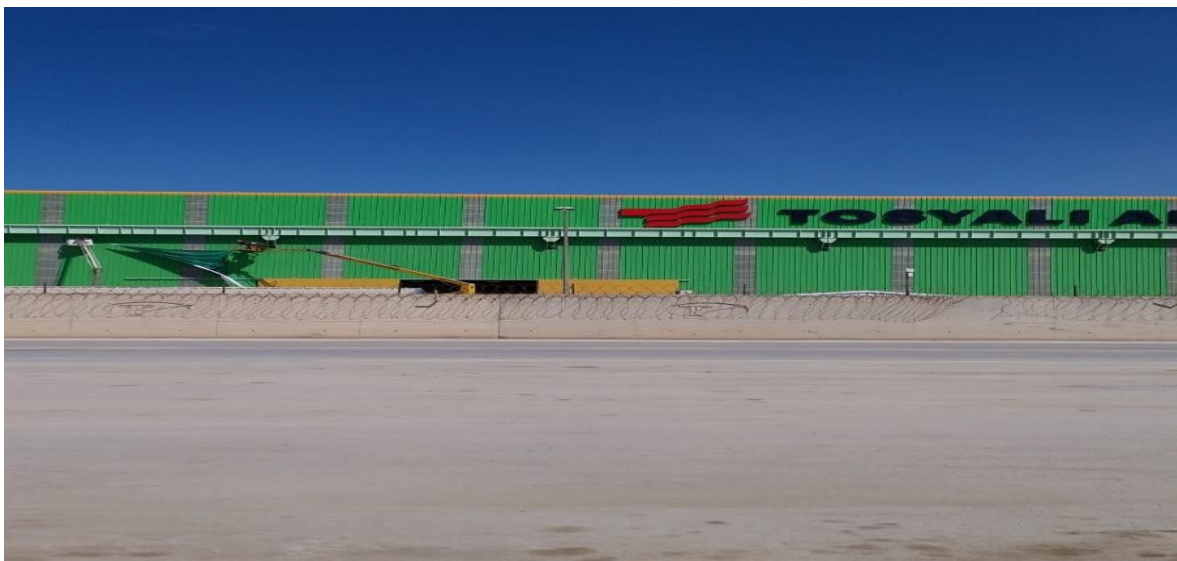

Izmir Çiğli Turkish National Railway System Switchyard – CVS Machine Company – Assembly works and commissioning - Izmir 2015

Completed Projects

Tosyali Holding Algerian Kangal Iron Rolling Mill - CVS Machine Company - Turn-key electrical works - ALGERIA - 02.2015 - 07.2015

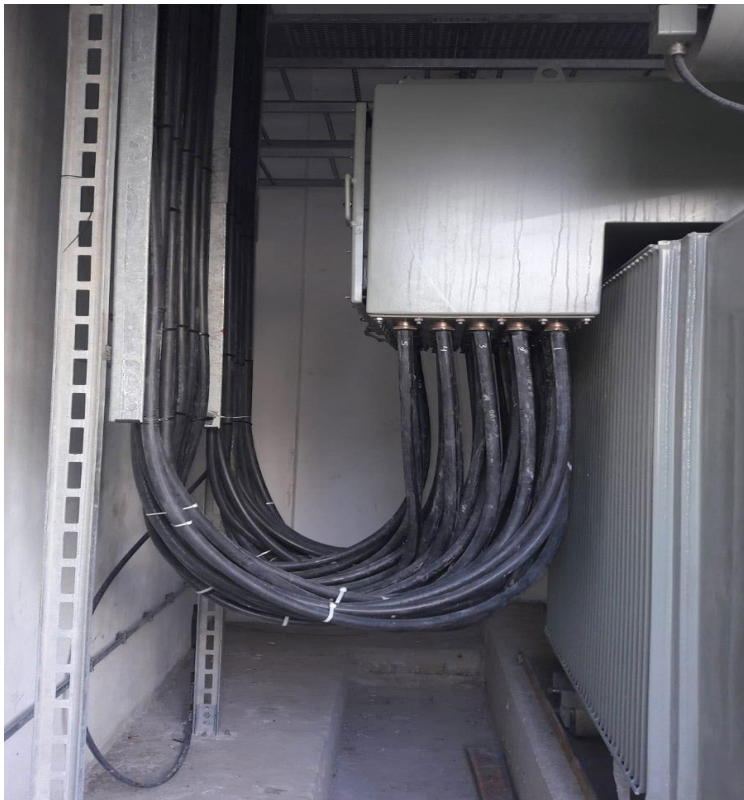

Completed Projects

İzmir Aliğa Viking Paper Factory Disassembly and assembly of busbar, MCC, PLC cables - İzmir 2016

Completed Projects

İskenderun Tosyalı Holding Iron and Steel Factory Installation of Faz 1 and Faz 2 Steel Mil - İskenderun 2020

Completed Projects

İskenderun Tosyalı Holding Iron and Steel Factory Installation of Kangal Iron Rolled Mill - İskenderun 2021

Completed Projects

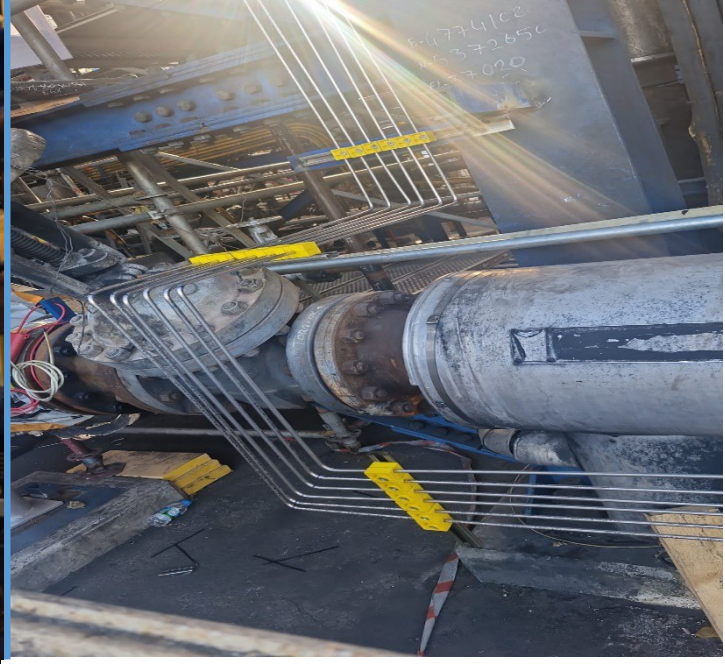

İskenderun Demir Çelik Factory Mobilization of Synthetic Carbon - İskenderun 2023

İskenderun Demir Çelik Factory 1 YF Furnace Charge Main Systems

İzmir Aliğa Star Rafineri Dcu System Installations and assembly with ACR Automation - İzmir Aliğa 2024-

Continous Projects

Kahramanmaraş Milangaz Decemby and Assembly Cable Tray, Cables and Transformatör - Kahramanmaraş2024-

Completed Projects

List of all completed projects

* Consultant and Project Consultant of Chamber of Electrical Engineers,

Girne/ Turkish Republic of Northern Cyprus /08.2011

* IŞIK Wood and Paper Factory Automation and Installation Turnkey,
Gaziantep- 2012

* GAMA 900 MW Natural Gas Power Plant, Complete Electrical Works
Turn-key, Erzin-HATAY - 2013

* ATLAS ENERGY Thermal Power Plant RMS Station, Electrical-Mechanical
Installation and Commissioning, Sarıseki OSB- İSKENDERUN / 2014

* YAZICILAR Port Management, Çelikhane Electrical Maintenance Works and
Man/Power Rental, Sarıseki OSB- İSKENDERUN / 2014

* TOSÇELİK Length Cutting, Painting Unit Complete Assembly, Maintenance
and Installation

* Sarıseki Organized Industrial Zone Installation - Osmaniye / 2014

* İskenderun TOSÇELİK Factory, Maintenance and repair work for
all ceiling cranes (84 units)

* TOSÇELİK GRANÜL, Earthing of transformers and panels, Sarıseki OSB
İSKENDERUN / 2015

* TOSÇELİK KANGAL ROLLING MILL, Factory installation, Electrical and
Automation Works Package Delivery CONTRACT WORK,
ALGERIA - 02.2015- 07.2015

* TOSÇELİK Natural Gas, Megadepo, Boykesme Units, Lighting and Fire
Detection and Warning System, Installation and Maintenance Works,
Sarıseki İSKENDERUN / 2015

Completed Projects

List of all completed projects

- * Viking Paper Factory, Complete Electrical Contracting and Commissioning, Aliğa / İZMİR, 2012
- * Tar Kim Additional Unit, Electrical Contracting and Commissioning, Kemalpaşa / BURSA / 2014
- * CEYNAK LOJİSTİK A.Ş. Cereals Warehouses, Complete Electricity, Design, Contracting and Installation Turnkey, Dörtyol- HATAY, 2012
- * TOSYALI-TOYO ÇELİKHANE-GEMONT AŞ. Electrical cable pulling, Termination, Cable Tray Installation Turnkey, OSB - OSMANİYE, 2016-2017
- * Yolbulanlar Iron and Steel Factory, Complete Electrical, Design, Contracting and Installation Turnkey OSMANİYE, 2014
- * DELTA-RUBİS PETROL AŞ, Port Cathodic Protection Maintenance and Measurement, RGA Grounding of Tanks, Lightning Rod System Installation - Assembly Works and Measurement, Renewal of Parafude Systems, Control and Inspection of Rectifier Groups Dörtyol / Hatay 2017-2018-2019
- * KOLIN THERMAL POWER PLANT, Complete Electrical, Project, Contracting and Installation Turnkey, SOMA / MANİSA, 02.2017 - 12.2018
- * TANAP Compressor Station 5 & Meterin Station 2 (CS5-MS2), Complete Electrical, Design, Contracting and Installation Turnkey ESKİŞEHİR 06.2017 - 07.2018
